## DEDICATION

The custom of the Annual Staff is to dedicate our work to an individual who has done more than his share to make Jackson High School outstanding. To show our appreciation and gratitude, we dedicate the Jacksonian '67-68" to one of the finest men in the history of Jackson High School, Art Instructor, Coach John P. Lamat.

Since he has come to Jackson High School, the students have received art awards, never before gotten. He has taken upon himself to brighten the halls and offices with art work. Mr. Lamat is constantly aware of new approaches in gaining the interest of the students. These vary from sponsoring field trips to art galleries and exhibits to entering the students' creations in art competition. Many of his hours have been donated to the building of a new and better track field. He spent much of his time assisting the students in extra-curricular activities. He has decorated for formal dances, chaperoned snow trips, and painted posters and signs for our games and rallies.

The yearbook staff would like to express their gratitude for the time and energy he has donated to the yearbook. Very few of the students will ever forget this remarkable man to whom this book is dedicated.

Rick - So a real cool  
junior. Well you only  
have one more year  
and you're pretty

# CHRISTMAS IN CANDYLAND

Queen Patti & King Scott

Christmas in Candyland was the theme of the F.H.A.'s annual Christmas Dance. December 16 was the date and the setting was the Jackson Cafeteria. The room was decorated in red and white with candy canes and lollypops as its motif. Sound and lighting effects by the Untamed Sound heightened the mood of the evening. Patti Thompson and Scott Sharp were chosen as the royal couple.

# SOPHOMORE

Queen Marcie & King Ron

The evening began at 8:00 with music by the Yukon Daily in an underwater "Shipwreck." Fish decorating the walls watched as the Simultaneous Avalanche played during intermission. Marcie LaShells and Ron Ames reigned until 12:00 as King and Queen of the Hop.

Returning All-League selections, pitcher Ernie Peters, outfielder John Begovich, and shortstop Chris Martin, give the Tigers another strong unit. Strengthening the pitching staff is senior Phil Giurlani and up from the Junior Varsity is Martin Ryan. Catcher Ron Oneto and Roger Campbell provide some of the power for the Tiger batsmen.

## PRINCIPAL'S MESSAGE

Today, the function of education is to help each student become as effective a person as it is within his power to achieve. What each of you do before you enter the adult world is a reflection of your performance as a student.

For, it is when you are working as a student or on leisure time at home, that you lay a basis for your life performance. These thoughts are so important, the researchers have given a name to them, "Preparing for your goals in life."

Well finally I have a chance to write you! But really I don't have much to say because every one else just took the words rite out of my mouth!! - only kidding. Well, I'm sure going to miss you when you go away to college. You're the greatest guy I have ever met and I hope we will never break up. Even tho' you give all the other girls a hard time, I'm only kidding when I say you flirt. Heck, if you didn't at all I would think there is something wrong with you - Not that I don't all ready! I'll never forget all the good times we have had already and I'm sure will have a lot of good times to come, because I know the summer will be a complete Blast! And we always have our very talkative phone ~~calls~~ (mistake!) calls to remember, which are very impossible to forget. You're so sweet to me and everyone else and everyone knows how lucky I am to have you and I think so to!! (I only made one mistake so that's pretty good!) So, I will end this just remember I love you and think so much of you and about you that I'm full in to my eyes and ears! (?) Ah! and don't forget "71" is better than "69". Rick, you should try to adjust to that fact!! All my love, Chris

[illegible]

Rick -

Well Okie I'm glad to see you finally  
made it! I don't see how you got  
through Journalism or English! Have  
fun this Summer (Working), I have a  
will be mighty serious! You, well her,  
blast with Chris! You a big, long  
is really sweet! Have a big, good  
legged cat!! Have fun and good  
luck!
